5 THE CLERK: That concludes the items
6 on the business on today's agenda. Are there any
7 comments from the Commissioners on the Board?

8 CHAIRMAN ROMANO: Yes. I'd like to
9 just say, I'm sure like myself and my colleagues,
10 I'm grateful this Advent season for all that you all
11 do, the Directors, Staff, Deputies, everybody that's
12 involved. The County cannot function with all the
13 things that are going on down on the workplaces.

14 We realize that this Board is very
15 exceptional in terms of the sacrifices, the ways
16 that we celebrate holiday, and we continue to work
17 always in the incoming years for the benefit of the
18 constituents that we always serve. Are there any
19 other comments?

20 COMMISSIONER WALKER: Yes.

21 CHAIRMAN ROMANO: Jerry?

22 COMMISSIONER WALKER: Yes. Yeah, I'd
23 like to echo what the Chairman said. I just want to
24 wish everybody a Happy and Healthy New Year. My
25 last official meeting will be the weekend of January

1 5th, making my last seven years there. So that will
2 be my last official meeting. As a Commissioner, I
3 get sworn in on the 13th of January down in Trenton
4 at the memorial. So I just wanted to ask the Chair,
5 if possible, that I could be the Chairperson that
6 day for one day. I was looking forward to being the
7 Chair. I used to be Pro Tempore for a couple of
8 years.

9 I just wanted to say happy holidays to
10 everybody. I'm looking forward to continuing
11 working with everybody when I get down in Trenton.
12 And if you've got some things that I should be
13 thinking about or chanting down there, feel free to
14 call me. My phone number is going to stay the same.
15 And you guys are my family, so I appreciate you all.
16 Thank you.

17 COMMISSIONER APONTE-LIPSKI: Thank
18 you, Chairman, for the opportunity. I guess I
19 really want to echo what you and our colleague said
20 about wishing everybody a happy, healthy, and
21 prosperous and peaceful new year. Happy holidays.
22 Happy Hanukkah. Happy Kwanzaa. Merry Christmas.
23 and of course, all the Directors that it's without
24 your work we wouldn't be able to accomplish what we
25 accomplish every day.

1 Thank you for all that you do. Even
2 though sometimes it doesn't seem to be that way, but
3 every single one of you that work with us, and you
4 know, for the benefit of our, you know, community of
5 Hudson County. Thank you and be blessed, and it's a
6 pleasure to be working with you. So hopefully we'll
7 see you all next year.

8 THE CLERK: Are there any comments
9 from the Chief of Staff to the County Executive?

10 MS. DAVIS: Thank you to the staff,
11 all of your staff, all of our staff. Thank you to
12 all the staff persons because we really appreciate
13 you and thank you to all of you.

14 THE CLERK: This is the time for
15 persons who submitted a timely written request to
16 address the Board on any matter of public interest.
17 Please remember to limit your comments to three
18 minutes.

19 There are speakers. The first one I have
20 is Mark Bloomberg.

21 MR. BLOOMBERG: Good afternoon.
22 Happy holidays to all of you. Two quick items for
23 today. First is hopefully a simple sign-up request.
24 I want to say I appreciate the new sign-up system
25 for speaking. It's very efficient, very helpful.

1 The one thing I ask is if you could embellish that
2 by letting people know once they've signed up that
3 free parking is available for them as well. You
4 just add that into the response that would be really
5 helpful.

6 Item two, just really here today for an
7 update on what's happening with Braddock Park. My
8 understanding is there's been discussions about
9 leaving one or two of the trailers behind. I know
10 that I submitted to some of the Commissioners back
11 in October. I did a survey, over 60 residents,
12 majority from North Bergen, about what they wanted
13 to see in the park. They didn't want to see any
14 trailers remaining behind.

15 It's a County park, not a trailer park,
16 regardless of what their uses actually are. So I
17 hope there's still going to be an opportunity for
18 either me to more fully share that information or
19 for me to provide you with names of people that you
20 can reach out to so it's not all coming directly
21 from me. But we have roughly 60 people who did
22 submit ideas, most of which just wanted to see the
23 land returned to more natural use and expand the
24 wooded area.

25 But, you know, ultimately it's consensus

1 and what's going on, you know, with all our
2 consistent constituents and what they want. And if
3 you have any details on when the majority, if not
4 all, the trailers are going to be out, that would be
5 a nice thing to learn today, too. Thank you.

6 Okay. Pretty much finished. I guess one
7 third thing to add, just Commissioner Walker,
8 congratulations and good luck. Thank you.

9 CHAIRMAN ROMANO: Abe, could you give
10 us a time frame, please, on the removal of the
11 trailers or Alberico?

12 MR, DEPIERRO: So, there are still
13 ongoing discussions with the State and the County
14 and the Township. Everybody's working very well,
15 very cooperative. I think there is a timeline very
16 soon in the next couple of weeks, if I'm not
17 mistaken, as to when the trailers that were part of
18 the diversion will be removed. I know there's
19 ongoing discussions about the remaining trailhead as
20 well. Hopefully it will be resolved in the next
21 couple of days.

22 MR. BLOOMBERG: So that all the
23 trailers are gone?

24 MR, DEPIERRO: I don't know which are
25 going as of yet, which are not. I know the ones

1 that were part of the diversion are a couple of days
2 away, if I'm not mistaken. I think the municipality
3 has advised that they're working with PSE&G.
4 Commissioner Baselice may have more information,
5 better information than I have to explain, but I
6 know that the process of getting everything related
7 to the diversion, those two trailers, are well on
8 their way and they should be out of there in a
9 couple of days or weeks.

10
11 MR. BLOOMBERG: How many trailers are
12 all gone?

13 COMMISSIONER BASELICE: I believe
14 PSE&G has de-energized everything. There was an
15 emergency appropriation put on to remove the
16 trailers based on conversations I had with the
17 faculty. It seems like, hopefully, that the
18 contract is coming in. And now it's started.

19 MR. BLOOMBERG: All of them?

20 MR. DEPIERRO: It's still a question
21 about two. There's a group that will remove the
22 two. I don't want to overstep my bounds. This is
23 more political. My response would be to go to the
24 North Bergen Commission meeting and ascertain what
25 direction they're going to go with.

1 MR. BLOOMBERG: Just be aware, every
2 one of those trailers is part of the diversion right
3 now. So the DEP, my understanding, would ultimately
4 have to sign off on what they're going to do.

5 COMMISSIONER BASELICE: We have a
6 request. I will tell you that.

7 MR. BLOOMBERG: Will it be voted on
8 here or does that just get done outside of this
9 body?

10 MR. DEPIERRO: That's a good
11 question. I believe that the State may be requiring
12 both the County and the Township to have their
13 governing bodies approve a resolution. So we're
14 waiting for the State on guidance on that. They may
15 request that. But again, that is up to the State.

16 MR. BLOOMBERG: Thank you again.
17 Happy holidays.

18 THE CLERK: The next speaker is
19 Raymond Mitchell. I don't see Mr. Mitchell.

20 CHAIRMAN ROMANO: He's not here.

21 THE CLERK: Next speaker is Laura
22 Moss.

23 MS. MOSS: Can you hear me? Am I
24 going? Okay. Good afternoon, Commissioners. My
25 name is Laura Moss. I'm here as board president of

1 the Courthouse Park Advocacy Group, representing the
2 residents who have been patiently and persistently
3 waiting for the creation of Courthouse Park.

4 In August, a committee of various
5 stakeholders involved in Courthouse Park was formed
6 by the County Executive. I represent the community
7 in these meetings, of which we've had four, and
8 they've been very productive. However, we're now at
9 an impasse, which is why I'm here today asking for
10 the commissioner's help.

11 The new Guarini Justice Complex was
12 reported to be finished 98 percent as of November in
13 2024. Yet nearly a year after the early 2024
14 move-in date target, the complex remains vacant.
15 Until the County has fully moved into the new
16 building, Jersey City cannot begin the demolition of
17 595 Newark Avenue, to make way for Courthouse Park.

18 The County has consistently identified the
19 cause of these delays as unresolved courthouse
20 technology work, which I'm sure you're well aware of
21 at this point, that the State of New Jersey took
22 over from the County in late 2024. We understand
23 the County's hands are tied to a certain extent
24 because of the State's intervention. However, we
25 still don't know whether the State has been actively

1 working on this, why it's taking so long, what the
2 delays are, and how can we speed this up.

3 The State has not been at the table during
4 our committee meetings, so we have no way as a
5 community of knowing what's really going on with
6 this issue from their perspective. I also want to
7 read an important statement given to me today by
8 Brian Weller, the Jersey City's Director of
9 Architecture. He couldn't be here. He wanted me to
10 address you.

11 Quote, the City, not the County, is
12 responsible for the cost of demolishing the
13 Administrative building and constructing Courthouse
14 Park. Park construction costs have already
15 increased by approximately 10 to 14 percent compared
16 with 2024 estimates. If the project is delayed
17 another year, an additional 7 to 11 percent increase
18 is expected, bringing total cost escalation to
19 roughly 18 to 25 percent above the original
20 estimate. So, end quote.

21 We ask today the Commissioner's help in
22 compelling the State to finish this work. And if
23 the State is not the problem, then what is the
24 problem? With an estimated price tag of \$350
25 million, this is the most expensive municipal

1 building built in the history of New Jersey. Nobody
2 wants to see it unused. So I hope that
3 Commissioners share in the community's frustration
4 with what is happening now and come to our aid as
5 Courthouse Park will serve the entire County, not
6 just Jersey City. So, we thank you for your
7 continued support, especially Commissioner O'Dea and
8 Commissioner Aponte-Lipski. And we wish you all a
9 Merry Christmas and Happy Holidays. Thank you.

10 COMMISSIONER CIFELLI: Ms. Moss?

11 MS. MOSS: Yes.

12 COMMISSIONER CIFELLI: As far as what
13 potential next steps, because the way that I
14 understood, and I know the Commissioner are
15 frustrated because of the building, and you're
16 frustrated because of the park. So I spoke to
17 people on our side of the Administration, side of
18 the more important dispute or the issues with what's
19 holding up the opening of the courthouse, and then I
20 spoke to Judge Katz.

21 And what I understand, and maybe Mr. Antun
22 can confirm this, what I understand is that there's
23 now an arbitration that's scheduled in order to
24 resolve this between the judiciary and the County,
25 and originally I think it was supposed to be the

1 Retired Judge Eric Alton, that was supposed to be
2 the mediator, but now I understand that it's going
3 to be Judge Brooke Karcher. So hopefully, I don't
4 know when that initial arbitration or mediation is
5 scheduled, hopefully that will break the logjam.

6 You're right, I think it's a matter of
7 technology. The State wanted their technology
8 vendor to come in and interface with the Superior
9 Court of the Judiciary Technology System, and that's
10 caused a bit of a snafu. Also, there's some
11 physical issues with the Sheriff's Office of
12 security, but I think that's a personnel issue that
13 can remain, which I believe will hopefully be
14 resolved in the first scheduled date.

15 MR, DEPIERRO: I think the
16 Commissioner pretty much summed it up correctly,
17 that it is a current arbitration that is pending.
18 Discovery is in the process of being exchanged, so
19 hopefully we are -- we're obviously moving closer to
20 a resolution, and that way the next steps can
21 finally start.

22 COMMISSIONER O'DEA: Is arbitration
23 binding?

24 MR, DEPIERRO: I believe it is
25 binding arbitration. I would have to confirm that.

1 I can confirm that afterwards. Yeah, because
2 arbitration would be also not binding, but I'll
3 confirm that.

4 MS. MOSS: May I ask why there's
5 arbitration? Like, what -- I just don't understand.
6 Is the State saying that the --

7 CHAIRMAN ROMANO: Well, I agree with
8 you. If you'd like to pause after this.

9 MS. MOSS: Please. Sure. It's just
10 a little confusing. This has been going on for many
11 months. Sure. And why we're at this point so.

12 CHAIRMAN ROMANO: Okay. I'm agreeing
13 with you. Okay.

14 MS. MOSS: Thank you very much.

15 THE CLERK: Mr. Chairman, Ms. Moss
16 just confirmed that Mr. Weller isn't speaking, and
17 the last speaker I had --

18 COMMISSIONER O'DEA: Hold on. Hold
19 on.

20 THE CLERK: Oh, I'm sorry.

21 COMMISSIONER O'DEA: So I have severe
22 concerns about the delay, and how it continues to
23 extend on. I have no idea how long this arbitration
24 is going to take. I don't know yet whether the
25 arbitration is binding or not. It's not binding

1 yet. We're sitting here months later, and we're
2 still waiting, because now the State Office of
3 Administrative Courts -- What's the name? I don't
4 see it -- can take it to another level.

5 So I would ask that we get a copy of
6 today's transcript of the speaker and the
7 interchange that we have, forwarded to, first,
8 Senator Stack, who chairs the Judiciary Committee.
9 I ask that Senator Stack, whether you have to have a
10 committee meeting or some other mechanism, intercede
11 to figure out how to expedite the resolution of this
12 matter.

13 That we also share the transcript with the
14 rest of the legislative delegation, from us,
15 including those that are incoming, which would
16 include Jerry Walker, Ravi Bhalla, and Katie
17 Brennan, and that we ask them to directly get
18 involved, working with the incoming Governor, the
19 Office of Administrative Courts, to get the matter
20 resolved. If we don't do that, I think we're going
21 to be sitting here for four or five months from now.

22 My understanding is the State technology
23 has been looked at, and it's not going to work. If
24 we're spending all the time on that, and that
25 there's facts to back that up, then we're affecting

1 the need to occupy the court in the building. We're
2 affecting the ability to take the other buildings
3 down. All costs everywhere will go up, the longer
4 anything gets delayed. I think we're at a point
5 that the County's been fair and reasonable in trying
6 to get the issue resolved. It's not their fault.
7 It's the State who stepped in and objected. And
8 that itself dragged it out for a number of months,
9 letting them try to do it a different way, which
10 they weren't able to do on the technology side.

11 I think we're at a point where we need to
12 get our State legislators engaged, one of which
13 holds a very prominent position as Chair of the
14 Judiciary Committee, to get to any other facts we
15 may have, plus today's transfer of the legislative.

16 MR, DEPIERRO: Chairman, I just
17 confirmed this is binding arbitration. Again, just
18 one point about the discovery.

19 COMMISSIONER BASELICE: On the
20 issues, I think Commissioner O'Dea raised it a
21 couple months ago, which is a very big question. It
22 was a public-controlled parking in the County. Do
23 we mind thinking of this unsettled? I know
24 Commissioner O'Dea had a suggestion about maybe
25 looking at shuttle buses. They did that in Bergen

1 County. But that's for another day. I have brought
2 up the parking in previous meetings. Thank you.

3 THE CLERK: It was confirmed that
4 Brian Weller isn't here. My last speaker is Luke
5 McKee, and I don't see him here either. There is no
6 further speakers.

7 COMMISSIONER O'DEA: Can we get a
8 copy of whatever the County has on Schools of
9 technology? I met a couple of press reporters, and
10 I'm not responding to their opinion of what that
11 issue is with the funding or lack of funding.

12 THE CLERK: There being no further
13 business, I need a motion to adjourn.

14 COMMISSIONER APONTE-LIPSKI: Motion.

15 CHAIRMAN ROMANO: Hold on. We've
16 got -- go ahead, Jerry, go ahead.

17 COMMISSIONER WALKER: To the last
18 speaker, I'm going to give Brian Stack of calls to
19 see how we could expedite this process. It's been a
20 long time. It's a little frustrating for me. I was
21 looking forward to being in the County Commissioner
22 capacity to cut the ribbon, but I'm still going to
23 cut the ribbon, guys.

24 So I was looking to Mr. Bloomberg. I
25 appreciate your well wishes for me for my next

1 adventure. And I just want to let you know, you
2 came to the Commissioner's Office, you handed
3 yourself in a professional manner, and as elected
4 officials, we do respect that people have respect
5 for us, so thank you for that. Happy Holidays to
6 you guys. Thank you.

7 CHAIRMAN ROMANO: Motion.

8 THE CLERK: All in favor?

9 CHAIRMAN ROMANO: Happy Holidays.
10 Merry Christmas.

12 concluded at 5:39 p.m.)
